

NOTE: This document is a **sample** application form, so that you can see in advance all the questions and documents that will be required in the application process. This will allow you to have all the necessary information ready. **You do NOT have to fill out this PDF document**, but rather the **online form** on our website: <https://www.measnet.com/become-a-member>

Become a MEASNET member

Dear MEASNET candidate,

Please fill in the following form with the required details. If you have any question, please send us an email to contactus@measnet.com

Thank you very much for your interest in our organisation!

MEASNET undertakes to treat this information confidentially and to use it exclusively for the purposes of improving the organisation, member care and internal and external communication.

* Required

CANDIDATE INFORMATION

Please provide the following details of your organisation:

1. I hereby declare that I have read and I accept the privacy policy of MEASNET, which I can find at <https://www.measnet.com/privacy>.

I hereby give my fully informed and specific consent to MEASNET to process my personal data in accordance with the aforementioned privacy policy.

I am aware that I have several rights regarding my personal data, i.e. the right of information, access and copy, rectification, erasure, restriction of processing, data portability, objection, withdrawal of consent and complaint. To exercise any of these rights, I can contact contactus@measnet.com. *

- ☐ Yes, I accept
- ☐ No, I do not accept

2. Company name *

3. VAT/UTR *

4. Date of establishment *

5. Company ownership *

6. Address *

7. Zip Code *

8. City/town *

9. Province/region *

10. Country *

11. Telephone (please include the international dialing code) *

12. E-mail *

13. Website *

14. LinkedIn profile (if applicable)

15. Please justify in which way the laboratory takes responsibility of its impartiality and the assessment of the risks to the impartiality performed under the requirements of ISO/IEC 17025:2017. *

16. IECRE member *

☐ No

☐ In process

REPRESENTATIVE INFORMATION

Please provide the contact data of the person who will be the focal point with MEASNET during the assessment process.

17. First name *

18. Last name *

19. Position *

20. Telephone (please include the international dialing code) *

21. E-mail *

22. LinkedIn profile (if applicable)

COMPETENCE, SCOPE, AND ACCREDITATIONS

Please provide details regarding the competence area or areas you would like to join, your accreditations, and the professional background of your company and your team.

23. Which area(s) of competence would you like to join within MEASNET? *

- ☐ Acoustic Noise
- ☐ Electrical Characteristics
- ☐ Loads
- ☐ Power Performance
- ☐ Site Assessment
- ☐ Wind Sensor Calibration (formerly Anemometer Calibration)

24. Does your company hold an **IEC/ISO 17025 accreditation** for each competence area of which they wish to be a member? *

- ☐ Yes, for all of them
- ☐ No, for none of them
- ☐ In process of obtaining them

25. Please detail those areas of competence where you DO NOT own an IEC/ISO 17025 accreditation, or where you are in process of obtaining it. *

26. Company's description, offered services and background in the selected areas of competence *

27. If your application is for the Wind Sensor Calibration area of competence (formerly Anemometer Calibration), please provide a description of your wind tunnel (if it is not, just write down "Not applicable" or "N/A"). *

28. List of the staff working in the services you have applied for membership in MEASNET *

Please bear in mind that you will need to send us also their CVs detailing their skills and experience, as well as the document of privacy policy for the treatment of personal data in CVs (see "Supporting documentation" section for more details)

--

INVOICING

29. Billing contact *

Please provide the name, email and telephone of the person responsible for invoicing in your company.

30. Tax address *

31. VAT number *

32. Purchase order number (if needed)

SUPPORTING DOCUMENTATION

After submitting this form, please send the following documents, in **PDF format**, to contactus@measnet.com:

- Copy of the valid accreditation(s) according to ISO/IEC 17025.
- IECRE valid membership certificate (if applies.)
- CVs of the team working in the areas where your company is applying for.
- Document of "Privacy policy for personal data in CVs" filled in and signed by each person whose CV is attached to the application. This document can be downloaded from the MEASNET website (<https://www.measnet.com/documents/>), section "Becoming a member of MEASNET".
- If you apply for being a member in the Wind Sensor Calibration area: list of applied anemometer calibration procedures.
- Any other documents to support your application.

Please note that your application **will not be processed until we have received the required supporting documentation**.

Thank you!
